**Mr. Edoardo Fiora** – senior associate, K2 Integrity

Language: English

In the pre-Covid era, sustainability used to be cool. In the resilience framework ruled by the pandemic, healthy and sustainable got used to being synonyms. In the incoming recovery journey after the pandemic, sustainability turns to be paramount to get the access to any kind of public or private funds, pivotal to reach the goal: doing business leveraging on your knowledge, no matter if patented or not.

Join us on October 14, 2021 at 6 pm CET and share your doubts and questions attending with the panelists of the round table.

Participation is free **upon registration** [to this link](#).

Best regards,

Studio Legale Jacobacci & Associati
